# Public Protection

Public Protection is put in place to ensure members of the public do not get injured. Our business is a people business with family values – think of the public as your family, how would you feel if one of them was hurt?

## KEY POINTS

- No member of public put at risk!
- Clothing and PPE of Gateman and RLO is smart and clean
- Pleasant and professional
- Presentation of entrances (i.e. queuing traffic and gatehouse professionally managed)
- Signing in and out process controlled
- Site rules issued to all delivery drivers
- Sub-Contractors wearing suitable for task PPE with own branding.
